We have a wonderful group of veteran staff who kept working after closing camp for the summer in 2012. Not only have they been working tirelessly to plan new and exciting opportunities for your scouts, they also created a greatly expanded Ma-Ka-Ja-Wan Summer Camp website to keep pace.

You will still be able to find the Leader's & Parent's Guides, contact information, information about the trailblazer program, and the other basic information you are used to seeing. But, among other things, you now have access to many more details about our TEN High Adventure Treks and the expanded Merit Badge Program! Exciting advancement opportunities have been added to our already comprehensive program, especially to our Pinnacle Program that's specifically designed for older scouts.

**NOTE:** All web pages listed above will take you to the newly created (and greatly expanded) web site.
